

STATE OF IOWA
DEPARTMENT OF COMMERCE
UTILITIES BOARD

IN RE: QWEST COMMUNICATIONS CORPORATION	DOCKET NO. TCU-03-13
---	----------------------

ERRATA ORDER

(Issued September 23, 2003)

On September 16, 2003, the Utilities Board (Board) issued an "Order Granting Application and Waiver" in Docket No. TCU-03-13. On page one of the order, the Board erroneously stated that comments were filed by Iowa Telecommunications Services, d/b/a Iowa Telecom (Iowa Telecom), on September 2, 2003. The order should state that comments were filed on September 2, 2003, by the Iowa Telecommunications Association. Iowa Telecom did not file comments in this docket.

In addition, Ordering Clause No. 2 provides that a certificate will be issued to Qwest Communications Corporation (QCC) when, among other things, it provides a commitment to support a 2-PIC dialing methodology for dialing parity. QCC provided the commitment in an "Additional Information" filing on September 5, 2003.

IT IS THEREFORE ORDERED:

1. With respect to the Board's "Order Granting Application and Waiver," issued September 16, 2003, in Docket No. TCU-03-13, the reference to the filing of comments in this docket by "Iowa Telecommunications Services, Inc.," is corrected to

read "Iowa Telecommunications Association," which filed comments with the Board in this docket on September 2, 2003.

2. Ordering Clause No. 2 in the Board's "Order Granting Application and Waiver," issued September 16, 2003, in this docket is modified to correctly state that the Board will issue Qwest Communications Corporation a certificate of public convenience and necessity to provide local exchange service upon approval of tariffs reflecting the prices, terms, and conditions of local exchange service in Iowa. At the time Qwest Communications Corporation files proposed tariffs with the Board, it must give notice to all affected carriers.
